**RE: Claim number 70770 on case No. 17 BK 3283-LTS, In re:  
The financial Oversight and Management Board for Puerto  
Rico as representative of The Commonwealth of Puerto  
Rico, et al.**

To whom it may concern

First of all, I know that I'm writing past the January 14 deadline but with all the situation going on in Puerto Rico with the many earthquakes and the Puerto Rico Electric Authority with the energy blackouts. In my community we didn't have electric power until January 15, 2020, making me to write this letter as today and in my case I wanted to be sure that my house didn't suffer any damage by the many earthquakes. I hope that you understand Puerto Rico situation as today.

The present letter is to file a response to the Omnibus objection "ONE HUNDRED THIRD OMNIBUS OBJECTION (NON-SUBSTANTIVE) OF THE COMMONWEALTH OF PUERTO RICO, PUERTO RICO HIGHWAYS AND TRANSPORTATION AUTHORITY, AND EMPLOYEES RETIREMENT SYSTEM OF THE GOVERNMENT OF THE COMMONWEALTH OF PUERTO RICO TO DEFICIENT CLAIMS ASSERTING INTERESTS BASED UPON UNSPECIFIED PUERTO RICO STATUTES" based on "Proof of claim purports to assert liabilities associated with the Employees Retirement System of the Government of the Commonwealth of Puerto Rico, but fails to provide any basis or supporting documentation for asserting a claim against the Employees Retirement System of the Government of the Commonwealth of Puerto Rico, such that the Debtors are unable to determine whether claimant has a valid claim against the Employees Retirement System of the Government of the Commonwealth of Puerto Rico or any of the other Title III debtor." The Entire objection, on my case is unfair because the money that the Employees Retirement System of the Government of Puerto Rico owes me.

I understand that on my Proof of Claim I wrote under the point 9 (What is the basis of the claim?) "Pasos por años de servicio" in English "Service years steps" wrongfully thinking that this is all the text I needed to sustain my claim and thinking that was the necessary basis to be written there. The correct basis of my claim is that under the case KAL-198-0532 (907) Romerazo (civil #199-0665 (505)). The above cites refer to the right I owned based on my 32 years of service under the

Department of Education of Puerto Rico and the salary increase that I supposed to have and never received, based on the years of service. My claim is based on undetermined amount.

That is the correct basis of my claim and I consider unfair that after all my work years on the Department of Education that an error omitting a cite will affect my claim.

I certify that the above information is true and all the true.

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'Lydia E. Olmeda Almodovar', with a long horizontal flourish extending to the right.
